

Private Party Menu for Inxpot

The Inxpot was one of the first shops in River Run Village and has thrived for 14 years because of its quality of service and product, unique cozy ambience and friendly staff. It is a great choice for your private gathering of any kind, and is definitely the place to see off your guests after a wonderful Keystone wedding weekend. We can have breakfast provided for your guests from 8 or 9am till 11 or noon. They can stroll in to visit or grab a bite on their way to the airport.

Inside the Inxpot we can sit comfortably up to 50. Any other private breakfast gathering...we can do 75-100 maximum especially if they are arriving at various times. We set up tents over our back outdoor patio in the summer to add additional space and we can also set tables outside with white linens.
